

ANIMAL FIELD SURVEY FORM

If possible, please attach a map of the location, preferably something of the same quality as a USGS 7.5' map. Also please include any photos or sketches and measurements when appropriate. GPS coordinates are preferred but not required if the location is well mapped.

Basic Data

Scientific Name: _____ Common name: _____

Date of Field Work: _____ County: _____

Observer: _____ Phone: _____

E-mail address: _____ Address: _____

Affiliation/Address: _____

Locality Data

Site Name: _____ Directions: _____

If known: Township _____ Range _____ Section _____ 1/16 Sec _____ 1/4 Sec _____

Datum: (e.g. Nad 27, Nad 83, Other) _____ Easting/Longitude _____ Northing/Latitude _____

Source of GPS point (fill one): GPS (make & model _____) or map (type & scale _____)

GPS accuracy distance: _____ units _____ Coordinate System: (e.g. UTM10, UTM11, Lat/Long) _____

Ownership: _____

Species Biology

Approximate # of Animals: _____ Sex/Age: _____

Site Function for Species: _____

Population trends at Site: _____

Habitat

General Description: _____

Associated Plants/Animals: _____

Disturbance/Threats: _____

Other knowledgeable individuals/Comments: _____
