

Conservation Status Assessment

Scientific Name: *Hypomyces luteovirens*

Classification: Fungus

Assessment area: Oregon

Heritage Rank: **S2**

Rank Date: 3/9/2017

Assigned Rank Comments: None.

Range Extent: E = 5,000-20,000 sq km (~2,000-8,000 sq mi)

Comments: The range of this species in Oregon is about 6100 sq. km.. It includes 3 sites near mount hood and another site in the Klamath county Cascades another occurrence near Bull Run Lake where Clackamas, Multnomah, and Hood River counties all meet.

Population Size: Not assessed

Comments: None

Number of Occurrences: A = 1 - 5

Comments: There are 5 occurrences in Oregon

Area of Occupancy: C = 3-5 4-km² grid cells

Comments: There are 5 grid squares occupied by this species in Oregon

Good Viability: B = Very few (1-3) occurrences with excellent or good viability or ecological integrity

Comments: One site is within a wilderness area.

Environmental Sensitivity: B = Narrow. Specialist or community with key requirements common

Comments: This species is a parasite of other mushrooms in the Genera Russula and Lactarius. Those generas are diverse, widespread and common as mycorrhizae in many types of forest around Oregon.

Short Term Trends: Not Evaluated

Comments: None

Long Term Trends: Not Evaluated

Comments: None

Threat Impact: C = Medium

Comments:

Only 1 of 4 sites in Oregon are in permanently protected areas. If the other three are logged on a 40 year rotation, about 19% will be impacted over 10 years and around 75% will be impacted over 40 years.

Intrinsic Vulnerability: Not Evaluated

Comments: None

Calculated Rank: S2

Rank Author: Michael Russell

Rank Reviewer: Scot Loring

References:

No additional references listed.

Definitions and Resources:

Rank Prefixes

- G Global rank, applied to taxon's full geographic range
- S State rank, applied to taxon's range within the designated state

Rank Values

- 1 Critically imperiled
- 2 Imperiled
- 3 Vulnerable
- 4 Apparently secure, uncommon but not rare
- 5 Secure, common, abundant, and widespread
